He rubbed his hands gleefully, making no attempt to conceal his pleasure. The news was a surprise to him, and therefore more agreeable.

Justice Beekman rendered two important decisions this morning in cases in which saloon men are greatly interested. The decisions were both for and

His two barkeepers John Connor and Thomas Ward, had previously been convicted in the Court of Special Sessions for selling liquor in Mullins's saloon on Sunday. Justice Jerome, upon their conviction, ordered the arrest and arraignment of Mullins.
